

Tuition Assistance - Fall 2023 - Summer 2024

At Mountain Top Music Center, we aim to make the study of music financially accessible to all. Tuition assistance, based on need, is available to music students 18 and under to help mitigate the expense of music study.

Policies

- This **tuition assistance application** should be completed and returned before the student begins lessons.
- Mountain Top Music Center's tuition assistance program works on a **sliding scale**. We award different amounts of tuition assistance depending on household income and the availability of Mountain Top Music Center's scholarship funds. *Mountain Top sometimes awards tuition assistance to families whose income exceeds our limits when **special circumstances** affect a family's ability to pay. These exceptions are made at the discretion of the director.*
- Tuition assistance is **awarded in the fall and is in effect until the end of the following summer term**. Applications will be reviewed and accepted on a rolling basis after the fall term starts, subject to availability of funds.
- Tuition assistance may be applied to **one course of study**; for example, towards piano lessons *or* violin lessons, but not both at once. This keeps scholarship awards equitable and sustainable.
- A new tuition assistance application must be submitted each year.
- So that as many students as possible can benefit from reduced tuition, we do not currently offer full tuition remission.
- Applications are both reviewed and held **confidentially**. Mountain Top Music Center **does not discriminate** on the basis of gender, race, religion, sexual orientation, national or ethnic origin, marital status, or age in employment or administration of its educational policies, scholarship and financial aid programs, or other school-administered programs or activities.

STUDENTS RECEIVING FINANCIAL AID MUST COMMIT TO THE FOLLOWING:

- 1. Regular attendance at lessons/classes/ensembles.**
- 2. Regular practice at home.**
- 3. Participation in performances.**
- 4. Effort and achievement.**

Students who are evaluated by faculty and administration as not engaging sufficiently with their course of study may be denied future tuition assistance.
